

# Why HEPA?

The Bosch Premium HEPA Cabin Air Filter is comprised of two layers to keep your customers breathing easy.

- 1 Captures 99.97% of airborne particles** as small as 0.3 microns for cleaner air.
- 2 Advanced HEPA filtration with electrostatic media** traps allergens, dust, and pollutants.
- 3 Superior protection** for you and your family with cleaner, fresher cabin air.

*Bosch HEPA Filters provide a great solution to consumers that are sensitive to airborne allergens or odors*

*For Application Guide, scan here!*

**Bosch constructs their filters with an extra layer to combat against even the smallest particles.**
