

Evolution™

Windshield Wiper Program

The **Bosch Evolution™** beam windshield wiper program delivers exceptional all-weather visibility.

Product highlights include:

- 1 Patented beam technology** applies more uniform wiper arm pressure along the entire length of the blade for virtually streak-free wiping performance.
- 2 Exclusive, blended rubber** for clean, quiet performance.
- 3 Aerodynamic, symmetrical wind spoiler** holds blade to windshield for a consistently clear wipe.
- 4 Double locking connector** offers quick, easy and secure installation.
